

# Now, why not take a quick peek at the Missions to Modern Marvels Teacher's Guide?!

## Learning Through History

Focus: Irish Famine, Ottoman and Russian Oppression, & Ethiopian Freedom

Unit 1 - Day 1

### Reading about History

Read about history in the following resource:  
★ *The Story of the World: Vol. 4*, p. 123 – top of p. 127

After today's reading, orally narrate or retell to an adult the portion of text that you read today. Use the *Narration Tips* in the Appendix for help as needed. Some possible key words to include in your narration might be *Great Britain, Ireland, Protestant, Catholic, Parliament, rotting potatoes, blight, starving, landlords, Corn Laws, Robert Peel, William Gladstone, and Home Rule Bill*.

**Key Idea:** After King Henry VIII of England claimed Ireland in 1541, a quarrel began between the two countries that lasted hundreds of years. Much of the quarrel had to do with religion. The famine in 1845 magnified the quarrel.

### History Project

In this unit, you will do an activity to glimpse life under the rule of a dictator. A dictator is one who rules with absolute power. Get 6 index cards. Number the cards from 1-6. Copy the following numbered freedoms on the matching numbered card: 1) Select music for listening. 2) Pick which clothes to wear for the day. 3) Select which book to read for free reading. 4) Choose how to comb your hair. 5) Decide what to do for a profession. 6) Plan how to use your free time. Save the cards.

**Key Idea:** By the time of the famine, Ireland had merged with Great Britain and was ruled in London. Many in Ireland wanted to be free.

### President Study

★ Read p. 6-7 and p. 10-13 in *The Big Book of Presidents*. Then, open your *President Notebook* to Washington. Use today's reading to complete the information about Washington.  
**Key Idea:** Research George Washington.

### Storytime

Read the following assigned pages:  
★ *Under the Hawthorn Tree* p. 1-15

After today's reading, photocopy the two "Bookmark" pages from the Appendix. Place the copied pages back-to-back and staple them together at the 4 corners. Then, 1/2-fold the stapled page into thirds to make a bookmark. Save the bookmark in your book until Day 2.  
**Key Idea:** Relate to the text in various ways.

### Timeline

You will be adding to the timeline in your *Student Notebook* today. In Unit 1 – Box 1, draw and color a potato. Label it, *Great Irish Potato Famine (1845-1852 A.D.)*.

In Box 2, draw and color an iron fist. Label it, *Dom Pedro II Rules in Brazil (1841-1889 A.D.)*.

In Box 3, draw and color a regal crown as shown on the banknote in Box 5. Label it, *Alexander II Assassinated – Alexander III Becomes Czar (1881 A.D.)*.

**Key Idea:** As Irish immigrants fled from the famine in Ireland, Dom Pedro was ruling in Brazil. Alexander II's father, Nicholas I, was ruling in Russia at that time.

### Independent History

On p. 33 of the *United States History Atlas*, find the states with the highest foreign-born population (immigrants). During the years of famine in Ireland, nearly 1,000,000 Irish immigrants came to the U.S. These immigrants settled mainly in Boston and New York at first. By 1850, 43% of the foreign-born population in the U.S. was Irish.

**Key Idea:** Most Irish immigrants were Catholic, which caused Catholics to rise in the U.S. This triggered some of the same problems between Protestants and Catholics in the U.S. that there had been in Ireland.

### Nature Journal

Read the assigned pages in the resource below.

★ *Nature Drawing & Journaling* p. V "Introduction" – p. 5

After reading, make a list of any needed supplies from p. 4-5. Discuss the list with your parent. It is important to note that there are blank pages in the back of *Nature Drawing & Journaling* that can be used for lessons.

**Key Idea:** Introduce nature journaling.

### Language Arts

Help students complete one lesson from the following reading program:

★ *Drawn into the Heart of Reading*

Help students complete one English option.

★ *Progressing With Courage: Lesson 1*

★ *Progressing With Courage: Lesson 67 (Save Written Exercises 'B' for Day 2.)*

★ Your own grammar program

Work with the students to complete one of the writing options listed below:

★ *Write with the Best: Vol. 2 Unit 3 – Day 1*, p. 25 (A newspaper or magazine article is needed.) Note: Units 1 and 2 are omitted.

★ Your own writing program

**Key Idea:** Practice language arts skills.

## Learning the Basics

Focus: Language Arts, Math, Bible, Nature Journal, and Science

Unit 1 - Day 1

### Bible Quiet Time

**Bible Study:** Read and complete the assigned pages in the following resource:

★ *Faith at Work: Lesson 1 – Day One* p. 1

**Prayer Focus:** *Prayer* "Preparing Your Heart for Prayer" from the Appendix. Refer to the questions for praying with adoration. Then, pray a prayer of adoration to worship and honor God. After your prayer, write "adoration" at the bottom of today's lesson in *Faith at Work above Day Today*. Next to "adoration," either list key phrases or write a sentence to summarize your prayer. This will be your prayer log. Last, place the copy of "Preparing Your Heart for Prayer" inside your Bible.

**Scripture Memory:** Read aloud Romans 12:1 three times from your Bible.

**Music:** Read p. 18 as you sing with Track 1 "Praise to the Lord, the Almighty" (verse 1).

**Key Idea:** Introduce the study of Romans.

### Math Exploration

Choose one of the math options listed below (see Appendix for details).

★ *Singapore Primary Mathematics 6A/6B, Principles of Mathematics: Book 1, or Principles of Mathematics: Book 2*

★ Your own math program

**Key Idea:** Use a step-by-step math program.

### Science Exploration

★ Read *Exploring the World of Chemistry* p. 4-10. After reading the chapter, turn to p. 11 of *Exploring the World of Chemistry*. Write the answer to each numbered question from p. 11 on lined paper. You do not need to copy the question.

**Key Idea:** Iron, tin, and lead are metals that have been used for centuries. Cast iron, steel, and other iron have differing amounts of carbon. Bronze and pewter are alloys that use tin. Lead is a heavy metal.

Now In Color

**A** Narrative texts provide an overview of the atmosphere, events, people, and missions of the modern times from the 1890s to present day. Independent follow-up assignments include key word oral narrations, written narrations, memorabilia connections, and "snapshot in time" connections (i.e. captions, bulleted notes, journal entries, quotes, etc.).

**B** Three days in each unit schedule a hands-on history project that brings the historical time period to life. Projects are scheduled to be completed a little at a time over three days.

**C** Three days in each unit schedule research from two different sources as part of a President Study. An optional study of your individual state is also recommended and scheduled one day in each unit.

**D** Engrossing history read-alouds make text connections with the history themes in *Missions to Modern Marvels*. Bookmark prompts target higher-level responses as students select lines to quote and comment upon, use quick sketches to provide visual commentary, ask clarifying and probing questions, make written connections, and share observations, reflections, and musings.

**E** Timeline entries, historical mapping/geography, and Socratic discussions of primary source documents rotate through this part of the plans in each unit. These activities coordinate with the history stories. Narrative readings about economic principles are also included one day in each unit.

**F** Other resources that coordinate with the history readings are included in the "Independent History Study" part of the plans. These resources focus on guided drawing lessons, audio presentations, primary source documents, copywork of speeches, notebook entries, and additional mapping.

**G** Enjoy reading, discussing, and copying the nature-themed classic poetry of Wordsworth, Longfellow, and Whitman alongside art lessons focused on sketching and journaling about nature two days in each unit. A Biblical worldview study of self-image using *Who Am I? And What Am I Doing Here?* is also scheduled two days in each unit for student and parent to enjoy discussing together.

**H** Grammar lessons are planned daily with the goal of completing English 6. Three days in each unit also include studied dictation to practice spelling skills and *Drawn into the Heart of Reading* to focus on in-depth literature study. Lessons from *Write with the Best: Vol. 2* are scheduled two days in each unit.

**I** A combination of science kits and resources for experiments, biographies, and textual material retain the living books/narrative feel for science while providing an introduction to chemistry and creation vs. evolution. Oral narration, written narration, notebook entries, tiered lab sheets, and experiments are included.

**J** Students use the Bible daily as they read and complete a study of all of Romans, Galatians, and James. By year-end, students copy and memorize Romans 12 and James 4. They also keep a daily prayer journal, as they pray using the four parts of prayer, and praise the Lord as they sing along with classic hymns.

**K** Suggested recommendations for math include either *Singapore Primary Math 6A/6B, Principles of Mathematics: Book 1, or Principles of Mathematics: Book 2*.
