### *So, what do homeschoolers just like you have to say about Revival to Revolution?*

"We are a joyous family of eleven whom have used HOD in our home school for 7 years. Our two older boys, ages 13 and 14, are journeying through *Revival to Revolution*, and LOVE, LOVE, LOVE their school days. From the amazing and carefully selected history readings, mapping assignments, speeches/poems studied, narrations written, state studies investigated, advanced level physical science projects and labs completed, *Drawn into the Heart of Reading* selections delved into, thoughtfully chosen storytime/extensions readings, Biblical worldview discussions, to Bible quiet time blessings, etc...we are thankful beyond measure for this special program. We are also immensely grateful for how beautifully HOD progresses children into independent work, yet still allows for plenty of quality interaction and discussion time with the parent."

"*Revival to Revolution* has given our twins such a great year of learning. The rich independent readings, beautiful notebook pages, and super-fun hands-on activities have kept them engaged all year. And what a breeze for mom! While I'm working with my youngsters, I'll see them buried in a book, happily making concoctions in the kitchen, doing beautiful paintings, or assembling a science experiment, all on their own! And our together time studying Biblical worldview is priceless. I can't recommend this program more highly."

"My seventh grade daughter started with *Revival to Revolution*, and it was challenging. But as time progressed and the rhythm became solidified, what I saw in my children was beyond what I had expected. My kids began to work independently--voluntarily! They became studious. Their written and oral narration skills flourished. They loved all the read alouds and begged for just one more chapter, mom, every day. They even enjoyed the >

science, and my kids do not appreciate science one bit. I am confident after this one year that Heart of Dakota will help my children grow as independent learners and prepare them for the challenges of high school and college."

"What I appreciate most about *Revival to Revolution* is the amazing books included. My son has learned and retained so much knowledge of this time period that several people have asked me what I was using. I love the way the curriculum ALWAYS leads the student to God's word, teaching him/her eternal truths. As a pastor's wife with 4 boys, time is of the essence and the independence *Revival to Revolution* has produced in my son is such a blessing. My heart is grateful to the Lord for supplying such an incredible guide."

"We LOVE *Revival to Revolution*! Every year it seems the Heart of Dakota guides get better. The connections my son is making in history, because of the chosen resources and the way they are scheduled, are amazing! Science is definitely a favorite with my son this year. My favorite part of the program is the worldview study. We've had lots of great discussions. Overall, we are very happy with *Revival to Revolution*."

"We wish we would have found Heart of Dakota earlier! My 9th grade son and 8th grade daughter have had the best year doing *Revival to Revolution* with extensions! My son, who was NOT a reader prior to this school year, has devoured EVERY book! I even catch him reading ahead! Thanks so much for a great, well-rounded program that lays a wonderful foundation in early American History. The *Exploration Education Physical Science* is a huge hit as well!"
