### *So, what do homeschoolers just like you have to say about Missions to Modern Marvels?*

“We are finishing up another fabulous year with Heart of Dakota. This year my boys have used *Missions to Modern Marvels*. They have thoroughly enjoyed this guide. Everything in this guide points them to Christ, and as a result they have both grown in their faith. We are so excited about continuing our journey with Heart of Dakota for high school next year. Thank you Austin Family for all your hard work!”

“We loved all of *Missions to Modern Marvels*! The *Reading About History* books are so well written my daughter really feels like she is seeing the history as it happens. The *Economics* taught are concepts she will use her entire life. The *Worthy Words* section has really helped her to understand how people actually shaped the historical events. Academically it is very sound, but truly what was far more valuable was she learned on a much deeper level to apply the Word to her life and how she sees the world. That will truly serve her for the rest of her life. It was a hit for us!”

“We have used Heart of Dakota for 5 years and are close to completing *Missions to Modern Marvels* now. This has been an amazing school year! My son loves every book you’ve chosen, and they have helped him to understand the events, culture, and people of each time period. I love how you intertwine modern history and its terrors of war, racism, and violence with God’s plan for all humanity. It has been a blessing for not only my son, but also for me to relearn history as God’s story. Thank you for blessing our family.”

“As a mother of ten children, I am so thankful for the seamless nature of Heart of Dakota. Our two oldest boys recently completed the *Missions to Modern Marvels* guide and were able to enjoy another rich year of schooling quite independently. The Bible study helped to deepen and mature their faith; the superb history and reading selections and assignments, were captivating and thought-provoking. The nature journal and science exploration were some additional favorites of our boys, simultaneously stretching and feeding their growing appetites for learning more about our God’s amazing Word and perfect design. Thank you, Heart of Dakota, for blessing our family beyond measure with days of joyful and rich learning.”

“We have loved this year with *Missions to Modern Marvels*! The books have been absolutely fantastic. I love how you’ve told the story of this difficult period in time and showed the love and hope of Jesus through it. We have learned about so many wonderful people enduring extremely difficult times. It’s been very inspiring.”

Each year I’ve been pleasantly surprised to discover a new area my son has taken an interest in. This year it’s been the *Nature Drawing and Journaling Notebook*. Without Heart of Dakota I would have never attempted to teach this subject, and my son would have missed out. Thank you for doing all the leg work for me in finding such great resources! I truly appreciate all the work you and your family put into this program. Many of us are blessed because of it.
