*So, how about taking a moment to see what other homeschoolers are saying about *Preparing Hearts for His Glory*!*

"We are loving each and every day with Heart of Dakota! In it I have found the cure for my former 'grass is greener' syndrome that used to drive me to search out the 'latest and greatest' curriculum to brighten our homeschool days. I have never been so content as we are now."

Alison in Doylestown, OH

"I am using *Preparing Hearts* with my 2 girls and am amazed at the thought provoking in-depth conversations we have been having! Everyday!! I am also getting a deeper understanding of the Scriptures, as I see history unfolding before my eyes. This whole curriculum is saturated by the Holy Spirit."

Georgette in Levittown, NY

"My older daughter is thriving with *Preparing Hearts*. It has a 'just right' blend of challenges that make her feel successful. She is being stretched, but not so much that she breaks!

This is the first year where I feel like I am accomplishing what I would like in my kiddos education."

Jess in Alvord, IA

"We're finishing up our first full week in *Preparing Hearts*. It blesses my heart to see my son's eagerness to begin his work each day. He's been very enthusiastic about the new program! A great first week . . . I'm so glad we decided to go with *Preparing Hearts*!"

Jennifer in Etna, Maine

"I kept trying to tweak, add, substitute, and change, and my husband finally told me to try *Preparing Hearts* as written. I have to say, it has been wonderful! It is a great fit for both my boys. They are learning so much, and they love the book choices!"

Allison in Texas

"The manner in which you have laid out the guides and the sense of order combined with ease of use is a true marvel. There's no twaddle here, only rich experiences for learning, thinking, and talking."
